United States District Court

Southern District of New York

LAURA TAYLOR SWAIN, Chief United States District Judge

Case Number : 22-CV-00853-LTS

1. I am the Pro Se Plaintiff in Case Number : 22-CV-00853-LTS and a Canadian national residing in Ontario, Canada
2. By Order dated July 1 2022, Justice LAURA TAYLOR SWAIN, Chief United States District Judge, granted me an extension of time of thirty (30) days to amend and replead my complaint .
3. I respectfully request an extension of an additional two (2) weeks to amend and replead my complaint .
4. I have been in contact with New York Legal Assistance Group. I received an email today dated July 22 2002 from the case worker from NYLAG that I have enclosed with this letter. Today is his last day and his supervisor , Henry Muhlheim , is out of the office for a few days. I am told in the email that Henry Muhlheim should be able to provide some assistance or connect me with a new case worker next week.
5. My concern is the time constraints for next week for the assistance or assignment of the

new case worker from NYLAG

5. My complaint involves complex legal issues . I want to ensure that there is sufficient time for NYLAG to review the documents and assist in the drafting of amended pleadings.

Respectfully

Hello Ms. Atas,

Thank you for passing along these documents. Unfortunately, as I previously mentioned, today is my final day at NYLAG's Pro Se Clinic. I will not be able to sufficiently review this information before the end of the day today. Henry is out of the office for the next few days, but when he returns he should be able to provide some assistance or connect you with a new case worker.

It has been a pleasure working with you over the past few weeks. If you have any urgent questions regarding your case, please call the clinic's main line at 212-659-6190.

Good luck with everything! I wish you all the best!

Sincerely,
Jared
